

HIDE THOSE UGLY GROWBAGS COVER AND CANE SUPPORTS

Garish-coloured grow bags are far from attractive and can be a bit of an eyesore. These handsome grow bag surrounds will give them a much-needed facelift, tucking them out of sight. Buy the additional cane supports and you'll be able to insert bamboo canes for your tomatoes or peppers without them flopping about all over the place.

FEATURES

- ✓ Attractive willow surround
- ✓ Support frame for tall plants
- ✓ 100x35cm (40x14in) and 17cm (7in) tall

Price: £14.95 (cover); £5.95 (cane supports)
